by
the rt rev crispien hollis
Bishop of portsmouth
11th june 2010

Above you can see the layout and wording that will be on the Foundation Stone which the Bishop will lay on Friday 11 June.

The letters "AMDG" are the Latin initials of the phrase "Ad Majoram Dei Gloriam" - To the Greater Glory of God.

The quotation "Like Living stones be yourselves built into a spiritual home" is from St. Peter's first letter, chapter 2 verse 5.

The lettering will be picked out in gold leaf.

A 'full size' copy of the layout is available for inspection in Church.

So do come if you can on Friday 11 June at 10.30am.
